

2021 Sponsorship Opportunities

The PRSA Orlando chapter is made up of more than 200-plus members, representing a diverse mix of PR practitioners and leaders from a variety of industries. Among the most popular member benefits we offer are our monthly professional development programs and annual mixers that bring together experts in our field, along with opportunities to meet colleagues. We are grateful to our sponsors who provide financial and in-kind support, keeping our chapter robust and allowing us to continue offering excellent development opportunities for our members. Sponsoring our chapter is a great way for businesses and individuals to reach our influential members.
